TOTAL COVERING GLAZE

# COVERGELI

## TOTAL COVERING GLAZE

### DID YOU KNOW

Covergeli is a total covering glaze that is extremely shiny, very user-friendly and can be both brushed or poured on frozen mousses and fresh fruits. Use this glaze to add a real shine to your creations and keep them fresh longer!

### HOW TO USE

-  Heat up to 40°C
-  Stir
-  Apply on Frozen Mousse

**SHELF LIFE**  
12 MONTHS

**NET WEIGHT**  
700G

### ADVANTAGES

Ready To Use

Extremely Shiny

Brush Or Pour On Desserts

Dip Fruits To Keep Them Fresh

Easy To Liquefy

Freeze & Thaw Stable

### TIPS AND TRICKS

Warm up the glaze gently with a microwave to a maximum temperature of 40° C. Stir well and apply on a frozen mousse placed on a wire rack until all sides are covered. Let sit until the glaze sets. Colors can be added to create different designs and styles. You can even mix together our different glazes to create unique combinations! Check out our website for inspiring application videos!
